From I79 South take Exit 155 for Star City

Turn left off the exit ramp onto Route 19 South.

Follow 19South for about 2.5 miles (past University Town Center Mall, around to the right by Sheetz, up the hill to the WVU Coliseum).

At the lights by the WVU Coliseum turn LEFT. Get in the RIGHT lane.

At the next stop by the WVU Art Museum (there's some sculptures out in the yard so you'll know its the art museum) turn RIGHT onto the WVU Evansdale Campus

Go STRAIGHT at the 4way stop.

There will be two parking areas on your right. Park in either one of them.

Up the hill from the parking areas you'll see a bus stop, a set of stairs, and a mural with a dogs face. That is our building. Elevators are in the center lobby. We are on the fourth floor to the left off the elevators.
